M&M Color Data

How many candies do you have of each color?

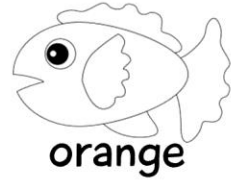

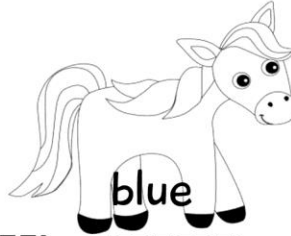

Which color did you have the most of?

Which color did you have the least of?

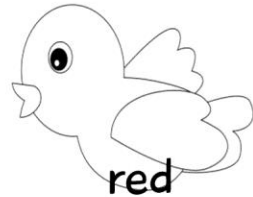

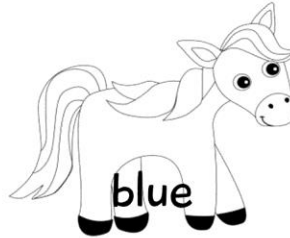

Which color is your favorite?

M&M Color Adding

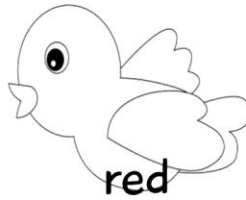

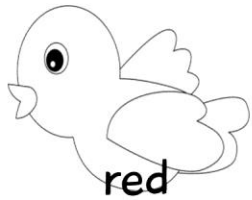

Use your data to complete the equations.

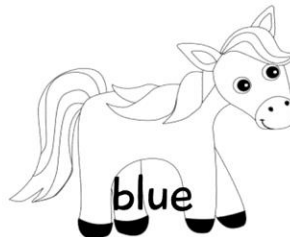

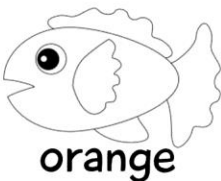

$$\square + \square = \square \quad \square + \square = \square$$

$$\square + \square = \square \quad \square + \square = \square$$

$$\square + \square = \square \quad \square + \square = \square$$

$$\square + \square = \square \quad \square + \square = \square$$

Thank You!

Thanks for checking out this freebie! I hope that it is helpful for you and your students. Be sure to visit my website for other fun back to school activities!

Love, Diana
